**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer of SONIC GIGABIT Internet for 2 years. They provide amazing service. Never been happier. Please allow these companies to operate and not be shoved over by AT&T and others.

I was using DSL before (Comcast) it was bad and slow and expensive.
SONIC came and saved me and my home.

Comcast and AT&T in the same area provides very bad service and also is very expensive.
Allowing competition keeps high uptime and low prices.
